Phone: _____ Cell: _____

Email: _____

What items do you plan to sell? Please describe and specify. **No vendors will be permitted to sell the same merchandise as the AoS Roundhouse Museum Store. Please coordinate with museum staff.*

Steam to Victory is intended to be a commemoration of the June 1944 D-Day landings at Normandy and ultimate Allied victory in the Second World War. We plan to create a commemorative atmosphere that honors the sacrifices of Allied soldiers while providing an immersive living history experience for our visitors. In order to fulfill our goal of creating the highest quality living history experience possible we ask that vendors do not apply to participate in the event unless they share our strict commitment to interpreting World War Two history accurately and respectfully.

**To apply to participate in the event please send this completed form to
info@ageofsteamroundhouse.org**

**Please do not attempt to pay booth fees until you are contacted by AoS staff and informed
that your application has been approved**

**Age of Steam Roundhouse staff and event organizers reserve the right to reject vendor
applications at their discretion.**
